

Methodism in Wiltshire

United Service

Sunday being recognised throughout the Methodist Connexion as "Young People's Day" a united schools service, to which parents and friends were invited, took place in West Street Methodist Church. Two members of the Forces took part, one giving the address and the other conducting the devotional part of the service. Special children's hymns were sung. Mrs. F. C. Barnes being at the organ. At all the services at both Methodist Churches sermons appropriate to the occasion were preached by members of the Forces.
