

Flower Show

The 11th annual exhibition of flowers, fruit, and vegetables, in connection with the Alderton, Grittleton and Leigh Delamere Cottagers' Improvement Society, took place on Tuesday, at Grittleton, a pretty village about six miles from Chippenham. The show was held in the cricket field, placed at the disposal of the committee by Sir Algernon Neeld, of Grittleton House. The weather was fine and there was a large attendance not only from the villages but from Chippenham and the district.
