Alvediston

The Primitive Methodists Fete

The annual summer effort of the Shaftesbury Primitive Methodist Circuit took place on the 25th inst at Manor Farm, Alvediston (kindly lent by Mr A G Hull). The effort was successful in every way. A large band of willing workers had a busy time at the various stalls and attractions, and excellent business was done in every department.

As the weather was threatening in the early afternoon, the large marquee, lent by Mr Hugh Morrison MP was a useful provision, and the large stock of goods on sale therein found ready purchasers.

The attractions included: Bowling for a live pig, given by Mr Sims; hoop-la; dart throwing; coconuts; and a series of wireless concerts. Music was provided by the Berwick St John Band.

Financially the effort was a great success.

The stalls and attractions were in charge of the following:

Circuit and jumble – Mesdames Hull, Sims, T Sims, Greenwood, Woods, Penny, Dewey, Watkins and Goodman; bowling – Messrs J and F Greenwood; dart board – Mr R Mullins; bran tub – Miss Hull and Master J Hull; hoop-la – Misses Love and Owen; coconuts – Misses Brickell and Bardell; ice cream – Misses Lane and Love; doll competition – Miss Hull; sweet competition – Mrs Smales; balloons – Mrs King and Mrs Kitchen and children.

The general arrangements were in charge of Mr A G Hull (circuit steward) and the Rev H J Goodman. The catering arrangements were carried out by Mr A J Scammell.
