

# Baverstock

## Donations to Poor

Amongst the many liberal donations which have been distributed to the poor this season, we have the pleasure to notice the following and what adds to its value, it was *the free gift of the Curate* in the parish of Baverstock. Every family has received 2 ½ bushels of coals, with a gallon loaf; and each child at the charity-school, the sum of threepence, as a reward for good behaviour.

(*Salisbury and Winchester Journal* – Monday 18 January, 1819)
