Fanny Clifford (alias Carpenter) swore & saith:-

I am a single woman living at Studley near Calne parish of Bremhill. I was delivered of a bastard child on October 3rd 1877. Joseph Brittain of Studley in the parish of Chippenham, labourer, is the father. He came to the house of my father in law on October 27th to pay 1/6 a week and half the expenses. My father in law refused to take it unless it was settled before the chaplain.

Defendant (Joseph Brittain) said he did make the offer but they refused to take it.
