

## *Calne Railway*

We have this month an extra train, out and in. It leaves Calne in time to catch the afternoon up train arriving at Paddington soon after 5 p.m., and it leaves Chippenham on the arrival of the afternoon up train from Weymouth and the express from Bristol. It is a great additional convenience. A considerable amount of work has been done in the way of preparation for the alteration of the gauge on the line from Calne to Chippenham. So that the traffic will be stopped for a day or two only when ready to begin the narrowing of the gauge **Wiltshire Independent 9 July 1874.**
