*Cherhill*

*At Calne Town Hall 19th January 1857*

*Sarah Flower v Henry Hazell*

Sarah Flower swore & saith:-

I am a single woman living at Cherhill, Wilts. On the 29th of October last I gave birth to a male bastard child. I charge Henry Hazell with being the father of the Child. I have known him between one and two years. He first had connexion with me on the 27th January last between Cherhill and Calne. He was living at Cherhill at that time. He has not given me money or promised to give me money. When I informed him I was in the family way he denied it and said it was not his, this was about 6 weeks afterwards.

Case adjourned to next meeting to enable complainant to get further evidence.
