

Dinton's Fine Produce

Judges' Praise at Bank Holiday Show

Well Over Five Hundred Entries

The fruit section and the good quality of the cut flowers won praise from the judges at the annual flower show of the Dinton, Baverstock and Hurdcott Horticultural Society, held in Dinton Recreation Ground on August Bank Holiday, which attracted 536 entries.

The Society has as its President Mrs. Forester, of Hurdcott House, with the Rev. R. H. B. Campbell as chairman. A strong Committee comprises Messrs. J. Clark (vice-chairman), E. Avery, F. Coombes, J. Connett, J. Crane, M. Hunt, H. T. Lake, L. Maidment, H. Mills, H. G. Mitchell, A. Mundy, A. Raymond, A. Stacey, W. Weeks, and W. Wilton. The secretarial work is efficiently carried out by the joint secretaries Mrs. H. J. Lake and Mrs. W. Wilton.

The judges of the Horticultural section were Mr. W. F. Gullick and Mr. Ralph (gardener to Mr. Cross, of Compton Chamberlayne), who in addition to making special mention of the fruit section, and the good quality of the cut flowers, remarked that the children's wild flowers were especially good, with the pressed wild flowers outstanding. Mrs. D. Coombes and Miss Engleheart judged the ladies' classes; Mr. E. Jukes the wines and eggs; and Mr. J. Cockbain the snapshots.

The show was opened by Mrs. W. B. Chamberlain, who was supported by the Misses Chamberlain, Colonel and Mrs. G. Perkins, Mrs. Forester, Misses Graham, Mrs. and Misses Kendall and Mr. and Mrs. Bovill. Mrs. Chamberlain was presented with a bouquet by Joan Coles, and the President, Mrs. Forester, after distributing the prizes spoke appreciatively of the show, as also did Mr. W. F. Gullick in a resumé of the Society's progress since its inception.

Mrs. Forester was presented with a bouquet by Margaret Stokes.
