DESTRUCTIVE FLOOD at SHREWTON, MADDINGTON, &c.

At a MEETING of the COMMITTEE for conducting the interest of the SUFFERS of the late awful INUNDATION at SHREWTON and the NEIGHBOURHOOD, held at the CATHERINE WHEEL INN, SHREWTON, Feb. 17, 1841,

It was unanimously Resolved –

That the most grateful thanks of this Committee be tendered to the Public for their generous Contributions in aid of the Sufferers by the late awful Inundation.

Resolved –

That further Contributions will be unnecessary, as, by the unexampled liberality of the Public, the extent of the losses sustained by the poor sufferers will be wholly replaced.

Resolved –

That the total amount of Subscriptions shall, as speedily as possible, be publicly announced, and the manner in which and for what purpose the disbursements have been made.

R. M. ATKINSON, Chairman
