### **Dovecote at Hyde's House**

Location – Steep Hollow, Dinton, Wiltshire

Grade II - Listed 23 March, 1960

Dovecote. C17.

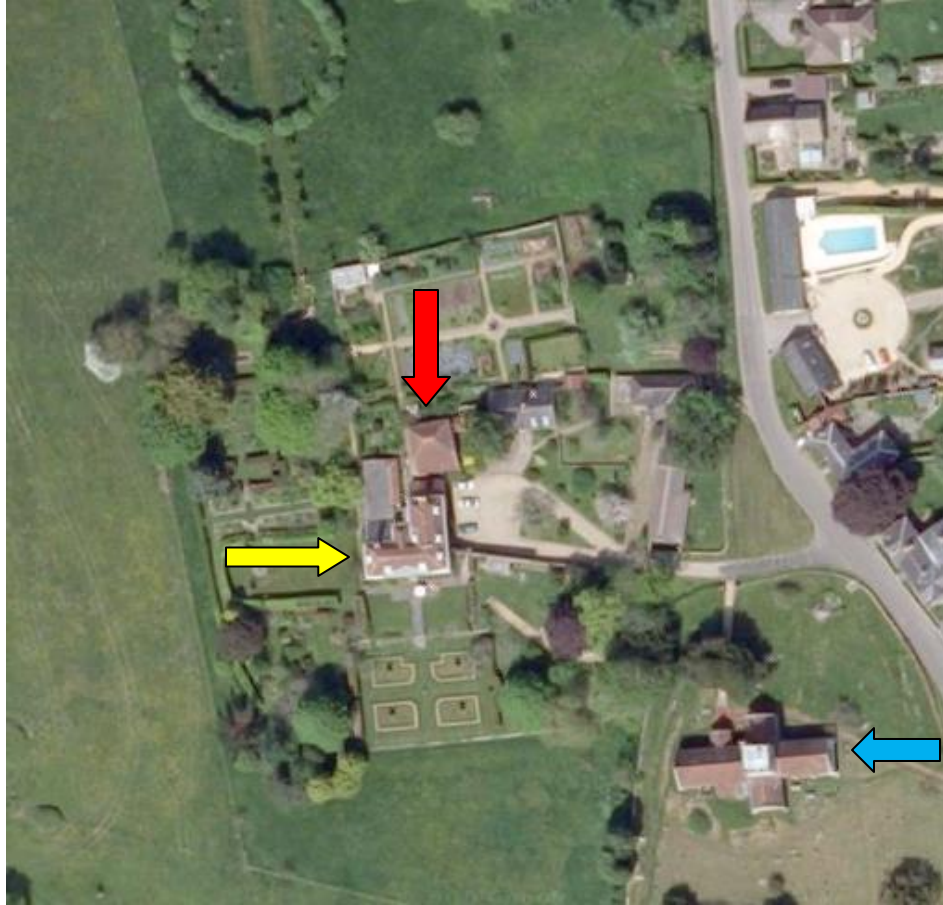

Rubble stone, tiled and stone slate hipped roof. Rectangular with added outshut on south side. Low double chamfered doorway with ledged door and relieving arch on east side, small inserted window over to left. Outshut on south side has coped verge to tiled roof, open window and planked door. Interior lined with stone pigeon boxes, three-bay roof with vee-struts from tie-beams to principals, straight bracing from tie-beams to walls.

Walls are about 1 metre thick.

*(British Listed Buildings)*

Hyde's House & Walls & Gate piers is a Grade I Listed Building. The Dovecote is detached from the main Hyde's House.

Dovecote marked by red arrow, yellow arrow showing Hyde's House & blue arrow showing St. Mary's Church. Below Hyde's House (Photo by Andrew Stacey)
