## World War I

SECOND LIEUTENANT

## **G. B. MCSWEENEY**

### **ROYAL AIR FORCE**

25TH JULY, 1918

### **George Bampfield McSWEENEY**

George Bampfield McSweeney was born on 30<sup>th</sup> January, 1895 at York, Toronto, Canada to parents Edward & Mary McSweeny (nee Jordan). Edward McSweeney was recorded as a Telegraph Operator.

The 1901 Census of Canada listed George B. McSweeney as a 6 year old living with his family in the district of York (West), Ontario, Canada. His parents were listed as Edward McSweeney (aged 33) & Minnie McSweeney (aged 32). George was one of five children listed on this Census – Mary I. (aged 8), Edward J. (aged 7), then George, Gordon W. (aged 4) & Helen C. (aged 5 months). Also listed was Linda Jackson (aged 22, Domestic).

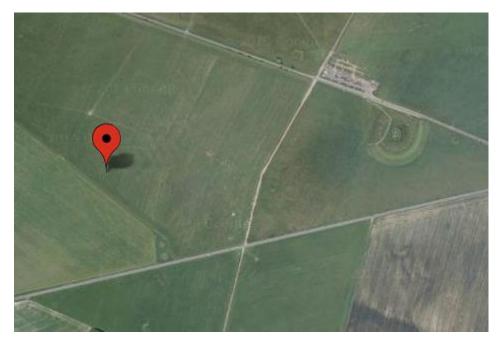

George Bampfield McSweeney was Secretary to the Builders' Exchange from December, 1913 to January, 1918.

When World War 1 began, Canada did not have its own air force and, until the RFC established training camps in Canada in January 1917, the only way for a Canadian to become a war pilot was to enlist in the regular forces and try to transfer to the air service, or to travel at his own expense to England and attempt to enlist directly. It is impossible to determine the exact number of Canadians who joined the RFC, but it is estimated that over 20,000 Canadians had joined the British flying services by the end of World War 1.

George Bampfield McSweeny was appointed Temporary Probationary Flight Officer on 7<sup>th</sup> January, 1918 as part of the Naval Wing (R.N.A.S.), Royal Flying Corps.

George Bampfield McSweeney was appointed Second Lieutenant on 1<sup>st</sup> April, 1918.

Second Lieutenant George Bampfield McSweeney was attached to 1<sup>st</sup> School of Navigation and Bomb Dropping, Royal Air Force. This was located at an aerodrome close to Stonehenge, Wiltshire.

Location of RAF/RFC Stonehenge from Nov 1917- Oct 1921

Second Lieutenant George Bampfield McSweeney was piloting FE 2b (Farman Experimental) A6596 from No. 1 School of Navigation and Bomb Dropping at Stonehenge, with Flight Cadet Clement Charles Haskew (formerly 3<sup>rd</sup> Battalion, Durham Light Infantry) as Observer when both airmen were killed in an accident on 25<sup>th</sup> July, 1918.
