Medical Officer's Fee for 500 Visits. There have been numerous cases of scarlet fever lately in the War Office villages of Fittleton and Haxton, in the Salisbury Plain district and the Medical Officer for the Pewsey Rural District on Tuesday reported that he had paid 528 visits in seven weeks. Worked out on the basis of his salary, he would receive a halfpenny for each visit. In the special circumstances the Council made a grant. **Western Gazette, Friday, 10 July 1908**
