Bath Chronicle, 18th June 1938

OPC Note-

The above table has been created to make for easier searching of those who attended as guests. The table has been also sorted into alphabetical order. The main report of the wedding can be found in a separate document on the parish page. The list has been typed exactly as the newspaper has named people e.g. Mr. & Mrs. George ... has been recorded in the table as Mr. George and Mrs. George..... Duplicate names are separate couples where two Mr. or Mrs. of the same surname are included.
