

## HIGHWORTH CRICKET

Our cricket club having been re-organized late in the season and the members in consequence, having had but little practice, we have not had to record any matches played by them; they however, played their first and only match for the season with the Coleshill Club on Friday the 30th ult. on a beautiful spot of ground in the Park in front of Coleshill House, the seat of the Earl of Radnor and the following is the score which shews the Highworth to have been victorious with five wickets to go down:-
