

Long Newton

Interesting Entries in the Parish Registers

1675-1719

14 Dec 1675 There seems to be entries missing here, as the Crudwell Registers make mention of a Wedding at Newton in 1679.

20 Mar 1703/4 to 11 Jun 1704 In this year, nineteen marriages are entered, but the names of even one parishioner does not occur.

1709/10 From this year to the year 1725 the entries are in Latin, and each is signed as it is made, by T. Millechamp, Rector.

10 Jun 1722 Anna, wife of Timothy Millechamp, Rect., died 7 Jun 1719.
