

The Living at Melksham - New Vicar

The Devizes Gazette has the following:-

We understand that the Vicarage of Melksham has been offered to the Rev. Dr. Wilkinson of West Lavington: and we rejoice to hear it, not only because the appointment is a fitting tribute on the part of the Dean and Chapter of Salisbury to one of the most highly-gifted clergymen in the diocese, but because it will, we feel sure, be acceptable to the parishioners generally, who will find in Dr. Wilkinson an able and worthy successor to their late much-esteemed Vicar.
