ALLOTMENTS

THE Council are informed by the Wilts War Agricultural Executive Committee that the owner of two small plots of land (unfenced), situated on the Spa Road Building Estate, adjoining Woodstock Gardens, is agreeable to let the same for allotment purposes, free of rent, for the period of the War.

The total area of the two plots is approximately half an acre.

The Council have four vacant plots on the George Street Allotment Site, each of about seven perches in extent, and they are prepared to receive applications for these.

The Council are also desirous of ascertaining information as to the requirements for allotments on other parts of the Urban District and invite applications in this Connection.

Any further details which may be required can be obtained from the undersigned, to whom applications in respect of the above should be made as early as possible.
