

Obelisk in honour of the 7th Battalion Wiltshire Regiment in Marlborough

## **7th Battalion Wiltshire Regiment WWII Ditty**

### **Sang to the tune of Tipperary**

It's a long march into Berlin  
For John Bull & Co.,  
t's a long march into Berlin  
To pay the debt we owe,  
t's a long march into Berlin,  
But we'll get there, I'll swear,  
There'll be long long faces on the Germans,  
When the 7th Wilts get there.
