

CORONERS INQUESTS

Inquest Report on Maria Hole

Mr. Whitmarsh held an inquest on Thursday last, at Monkton Deverell, on the body of Maria Hole, an infant 12 weeks old, who was found by her mother dead by her side in bed when she awoke; the child had been declining in health for the last fortnight, and as there were no marks of violence on the body, the Jury returned a verdict "Died by the visitation of God."
