

Toc H and The Boys' Club

By the invitation of Mrs. and Mrs. Gloson, Tuesday's meeting of Toc H was held in the School House. There was no special speaker, the chief matter for discussion being the position of Toc H and the Boys Club, both of which stand in need of quarters for their meetings. As the Library of the Bouverie Hall is no longer available, the Toc H members are hoping to find a building which they could convert into a suitable meeting place for themselves and also for the boys. For the latter, a weekly meeting in the Guide Hut has been arranged up to Easter and ways and means of obtaining more games are being considered. The social evening arranged for last week, was cancelled.
