

Salisbury Bell Foundry. In 1859 the Rev. W. C. Lukis compiled a list of Bell Founders connected with the City of Salisbury. He says that the earliest notice of a bell having been cast in Salisbury is to be found in the parish accounts of S. Edmund's for the year 1443. The name of the founder seems to be wanting. The earliest bell-founder whose name he had met with was Henry Pynkere, who recast the fourth bell of the same church in 1465. Mr. Lukis's list is as follows :
