

### **Income Tax For 1870**

We beg to remind our readers that the income tax, land tax, and inhabited house duties for the year 1870-71 are due on the 1st of January, and payable in one sum. As the duties have been paid into the Exchequer during the same month, it is desirable that the payment should be made to the collectors (who will call for the same as usual) with the least possible delay.
