The Rev. E Jones, who has been Curate of Devizes from the time that he has been admitted a Deacon, has accepted the Curacy of Avebury, in this county, whither he will immediately proceed. It may be justly stated of Mr Jones that he is an able and a zealous and faithful minister of the Church, earnestly desirous of rendering his services acceptable to his Heavenly Master; and we have no doubt that he will soon obtain the respect and attachment of the parishioners of Avebury. It will be seen that Mr Jones was on Sunday last admitted to Priest's orders.

The Rev. H.N. Bonsfield, clerk, Curate of Melksham, in this county, has removed to High Wycombe, Bucks, to the Curacy of which parish he has been recently appointed.

The Rev. Henry Pix, Curate of Saint Chads, Shrewsbury, has been appointed to the office of an Assistant Mastership in Marlborough College, in this county.
