

Wesleyan Chapel, Semington (2012)

Entertainment at the Wesleyan Schoolroom

A pleasing entertainment was held in the Wesleyan School Room on Wednesday evening. Songs were given by Mr. J. Matthews, Mr. Higgins, Miss O. Brown and Miss Higgins. Two dialogues in character by lady friends from Hilperton caused much amusement. Mr. Higgins gave a reading on spring cleaning in the Devonshire dialect and Mr. J. Matthews a recitation in the vernacular. The recitation by Miss Stanley was so enthusiastically received that she responded by giving a recitation in French. A pleasing feature was the serving of refreshments during the interval.

The final statement was given by Mr. Stockwell who stated that the account of the liabilities of the Sunday School Building account was £26 and towards this sum they hoped to receive a grant from the chapel fund of £10.

An interesting address was given by the Reverend J. E. Creasey who presided. In the course of this remarks he congratulated the friends of Semington on the success already attained and thanks to all who had contributed to the excellent concert.

The amount received from collections and the results of the evening's efforts was £7.

The gathering closed with the singing of the National Anthem.
