

Joshua Harward, Vicar Of Shrewton

I Joshua Harward, Minister of Shrewton, in this County of Wilts, was afflicted with a Dropsy and Asthma for several Months, and had the Advice of several Physicians and Apothecaries, but found no Relief, and was given over by every Body as past all hopes of Recovery; but hearing of a Wonderful Cure performed by Mr. William Randoll, Apothecary of Sarum, on Mr. Hooper, who then kept the Three Lions; I applied to him, who in less than a Fortnight gave me such Relief, that I was able to do Duty at both my Churches, blessed be God, and am now in a very good state of Health.

Witness my Hand,
Joshua Harward, Rector of Rolston, and Vicar of Shrewton.
