Church Farmhouse

Located: Sutton Hill, Sutton Mandeville, Wiltshire

Grade II - Listed 27th July, 1985

Farmhouse, now detached house. Mid C17, altered C19 and C20. Limestone; rubblestone and dressed stone, concrete tiled roof, formerly thatched, stone stacks. Two-storey, 4-window. Planked door in chamfered wooden case with early C20 glazed and gabled porch to left of centre, to left is C19 three-light casement, to right is 3-light casement, C20 fixed window and 2-light casement inserted into blocked doorway, first floor has three 3-light leaded casements and one 2-light casement. Attached to right is C19 two-storey extension, added to in 1930s, planked door and 3-light casements. Left return is windowless, raking buttress. Rear has C20 flat-roofed extension to ground floor, first floor has four 2-light leaded casements.

Interior has deeply chamfered beams with stepped or ogee stops, 2 open fireplaces, south one has chamfered lintel with rounded corners, the other has lintel with stepped stops. House is probably of two C17 builds; an early to mid C17 cottage to south, extended to north in late C17, further northern additions in C19 and C20. Formerly part of Wyndham estate; Phillips House (q.v.), Dinton.
