Pte Herbert Garonne Nixon, formerly of China, but now Sydney, requested in his Will dated 12th September, 1915 that William Ernest Jones be appointed as the Executor of his Will. W. E. Jones (son of Pte Nixon's foster mother – "foster" brother.) was on active service in France so his power of attorney was with his wife – Esther Jones who took over the responsibility of Pte Nixon's affairs & correspondence with Base Records. Pte Nixon bequeathed to his friend Frederick William Ambrose in Shanghai, China all the money in his account in Shanghai, China. The rest of his Estate he bequeathed to Louisa Matilda Jones, wife of William James Jones of Sydney, Inspector of Police, and to William Ernest Jones in equal shares (foster mother & foster brother). In the event that both Louisa Matilda Jones & William Ernest Jones predecease Pte Nixon, he directed that his, her or their shares be paid to Roscoe Samuel Webster Jones. Pte Nixon's Will was lodged with Police Inspector W. J. Jones of Centennial Park, Sydney (his foster father).

Mrs Esther Jones (wife of Executor of Pte Nixon's Will who had been responsible for organising Pte Nixon's Estate & affairs as Power of Attorney for her husband who was on active service) wrote a letter to Base Records on 11<sup>th</sup> January, 1919 stating in part – *".....Shortly before his death Private Nixon became engaged to an English girl and a day or two after his death she wrote his foster Mother a letter, from which I quote one of two extracts.*

- *"I have all papers, letters etc, everything except his ring, which up to present is missing".*
- *"They know I was being married to him & say I am nearest of kin".*
- *"In his pay book Ross's name appears & as far as I know, unless you have it, he leaves no will."*

*From this it appears that this girl has been given his belongings, including his pay book and shall be glad if you can advise me whether this is so and on what authority was it done. My husband's parents, who were Pte Nixon's foster parents, were named by him when enlisting as his next-of-kin, and as he has left a Will here, all his effects of course belong to his Estate & should have been forwarded here....."*

Base Records replied stating that the matter regarding the papers etc held by Miss Dunne had been referred to A.I.F. Headquarters, London. (A disc & ring were returned to Wm. Nixon on Centennial Park, Sydney, NSW in early January, 1919.)

Private H. G. Nixon is commemorated in the Hall of Memory Commemorative Area at the Australian War Memorial, Canberra, Australia on Panel 162.

*Roll Of Honour WW1 Australian War Memorial Canberra, Australia*

G. Nixon, 56<sup>th</sup> Battalion, Australian Imperial Force, and to return them to the Department of Defence upon demand in writing, should they be required for the purpose of being handed to someone having a prior claim to myself." #### Commonwealth War Graves Commission Headstones

The Defence Department, in 1920/21, contacted the next of kin of the deceased World War 1 soldiers to see if they wanted to include a personal inscription on the permanent headstone at St. John the Evangelist Churchyard at Sutton Veny. Space was reserved for 66 letters only (with the space between any two words to be counted as an additional letter) & the rate per letter was around 3 ½ d (subject to fluctuation).

The expense in connection for the erection of permanent headstones over the graves of fallen soldiers was borne by the Australian Government.

*(Information obtained from letters sent to next of kin in 1921)*

Pte Herbert Garonne Nixon does have a personal inscription on his headstone.
