

## The Imperial Yeomanry

### A Meeting of the Local Troop

A special meeting of the Salisbury and Hindon Troop of Yeomanry and friends was held at Mr. F. Highman's, High Street, yesterday, for the purpose of recruiting volunteers for active service in addition to those whose names were given last week, and who were all members of the local troop of Yeomanry. Those from whom volunteers were asked yesterday were not necessarily members of the local troop, but were civilians and volunteers who were anxious to serve. There was a good attendance.

...

Names were then taken and those given below volunteered and will proceed to Trowbridge immediately.

Those whose names we gave last week as having volunteered for active service have already gone with the exception of three – Sergt. Briant (Cholderton), Trooper E. E. Wyatt (Salisbury), and Trooper W. Corp (Dinton) - and they will go very shortly. The number of names given in yesterday was eight, as follows:
