

Estimates For Repairs For The 1841 Flood Repairs

Shrewton – The late Floods

The Committee met on Wednesday, the Rev. R. M. Atkinson in the chair, when on the motion of Mr. Mills, Mr. Card's estimate for the repairs was produced, and read as follows:-

Tilshead – William Smith, repairing dwelling houses, £45; Charles Giddings, repairing dwelling-house, £26; if cottage is rebuilt, £35 extra; William Lawes, repairing dwelling-house and premises, £30; Richard Gale, rebuilding cottage (using the old stone), £55; William Kite, rebuilding cottage and woodhouse, £50.

Orcheston St. Mary – Richard Smith, building dwelling-house, bake-house, stable, and cart-house, nearly destroyed, £87; John Lemon, building cottage and stable, £60.

Shrewton – Benjamin Stone, building cottage, £55; William Winzar, building house according to plan, £140; Priscilla Small, building according to plan, £160; William Moore, building two cottages, &c., £110; George Pearce, building two cottages, &c., £85; William Pearce, building house &c., £140; Robert Pearce, £63; Mr. Gunning, £67; Joseph Blewden, £55; Diana Ware, £13; Mr. Chubb, £43; Mary Pearce, £15; William Scammell, repairs to outbuildings, £5; Robert Blewden, building two cottages, £115; Prudence White, £100; George Leversacan, £9.

Winterbourn Stoke. – George Dyer, building house, £140; William Poulden, £280; John Grant, £5; George Kellow, rebuilding part of house, cart-house, stable, &c., £125; Mr. Jacob Grant, rebuilding two cottages, £110; rebuilding dairy, cart-hose, stable, &c., £30.

It was then agreed, on the motion of Mr. Mills, that a copy of the above list should be given into the hands of each of the committee, that they may have time to consider the claims before the meeting to be held on Wednesday next.
