### **THANKSGIVING SERVICE**

A service of thanksgiving for the ingathering of the harvest took place in this parish, on the evening of Friday, the 27<sup>th</sup> ult. The church, which was tastefully decorated with corn and flowers, was very full, and the service, which was choral, was of a most hearty and enthusiastic character. An appropriate sermon was preached by the Rev. E. Strickland, rector of Brixton Deverill. The collection amounted to 2 £ 5 s., which it is proposed to apply to the purchase of a harmonium for permanent use in the new schoolroom.
