

Inquest Report on Mary Ann Keevil

At Avoncliff, parish of Westwood, on Mary Ann Keevil, aged 40 years. The deceased died at the Bradford Union Workhouse on Monday morning last, having entered the house on Saturday in a state of intoxication. She possessed an annuity of £20 per annum, which was spent wholly in intemperance, and when penniless had recourse to "the House."

Her death was sudden, caused by serious apoplexy, brought on by her habits.

Verdict, accordingly.
