OPC Notes

Three Henry Eyres were born in Wiltshire in 1867

Henry G. Eyres in Westbury - Records show he died in Westbury in 1891

Henry G. Eyres in Pitton (Alderbury RD) - Records show he was in both the 1891 and 1901 census returns in Pitton and married to Ethel Dorcas Eyres

The final Henry Eyres was born in Winterbourne Stoke (Amesbury RD) - there is no record of him in the 1891 census or subsequent census returns nor is there a death recorded between 1881 and 1891 census. There is no record of Henry on ships passenger lists that we can find prior to 1891.

With these deductions it can be assumed that the Henry that settles in North Queensland was indeed Henry Eyres born in Winterbourne Stoke.
