Apr. 24th Report for 1883 Found the attendance role right and even the results of Examination and children' under this report. "The children are in fairly good order and have made very creditable progress during years rather Elementary subjects of the standard work. Their Reading is now fair, good, their spelling fair and the Arithmetic also fairly good. The older infants are somewhat backward in their reading but they write fairly and are fairly accurate in their sums. The following are the marks of the examination of the Scholars awarding them of letter
Number 54 Reading 49Reading 48 Examination
Arithmetic 43

Signed A. R. King ??
