

New Head Warden

At a specially convened meeting of the local A.R.P. organisation, Mr. F. T. Elms was elected as Head Warden to fill the vacancy caused by the resignation of Mr. H. Grainger, who has been called to military service. Mr. Elms has been associated with the local A.R.P. movement since its inauguration and has given it whole-hearted support. He thanked the meeting for the honour and appealed for close co-operation. They could ill-afford to lose such a valuable official as Mr. Grainger, and he hoped that all would do their best to obtain new members.
